Ref: Your inquiry regarding EU Directive 2002/95/EC on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)

Dear Sir or Madam,

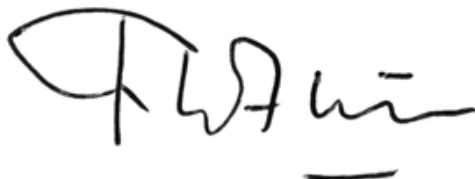

Philips Lighting is committed to comply with the requirements of the RoHS-directive per July 1, 2006 for all products shipped to customer's locations in the EU, Norway, Iceland and Switzerland.

Philips Lighting currently aims at earlier compliance with the RoHS-Directive for its major product ranges:

<b>Business Group</b>	<b>Date Supply Compliance</b>
Lamps	April 1 <sup>st</sup> 2006
Gear (Lighting Electronics)	April 1 <sup>st</sup> 2006
Special Lighting	July 1 <sup>st</sup> 2006
Luminaires	July 1 <sup>st</sup> 2006
Solid State Lighting	July 1 <sup>st</sup> 2006

For further questions you may have, please feel free to contact us at any time.

Very truly yours,

Dr. F.W. Altena  
Philips Lighting Environmental Coordinator
